

PROGRAM KITAR SEMULA SISA ELEKTRIK DAN ELEKTRONIK (E-WASTE)

KENAPA PERLU MENGURUSKAN E-WASTE SECARA MESRA ALAM ?

Jika E-waste dibuang tanpa menggunakan kaedah yang mesra alam seperti buang ke dalam sungai, ke tapak pelupusan, membakar secara sesuka hati atau diberikan kepada pihak yang tidak sepatutnya, e-waste ini berupaya untuk membahayakan kehidupan, menjejaskan kesihatan kita dan menyebabkan kemerosotan kualiti alam sekitar.

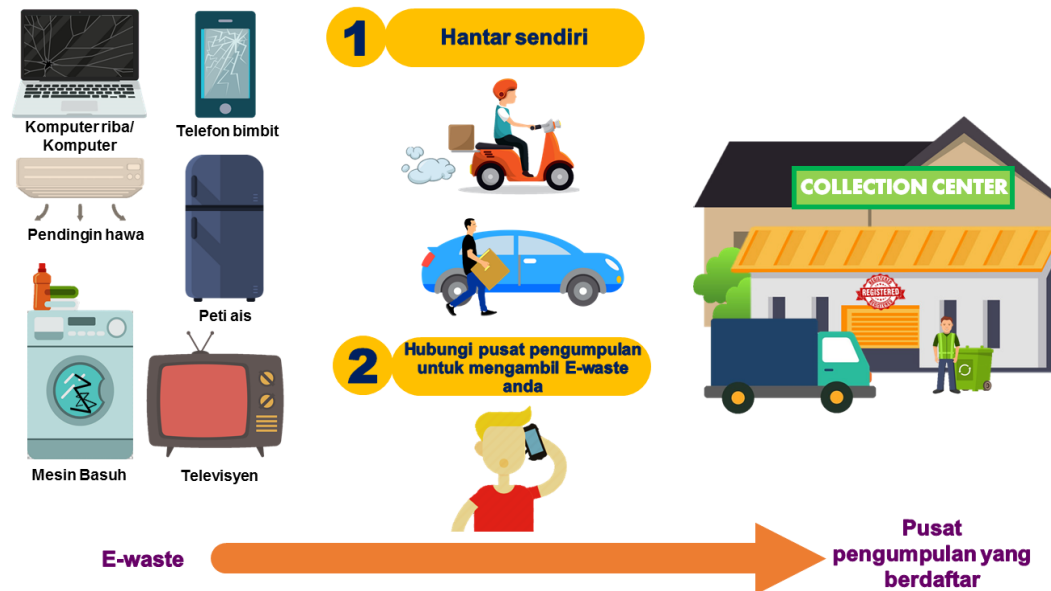

Sehubungan dengan itu Pihak Majlis Bandaraya Ipoh telah menjalankan program mempromosikan program/aktiviti kitar semula barangan elektrik dan elektronik di seluruh kawasan pentadbiran Majlis dengan melantik Syarikat Edsha Solutions Sdn Bhd sebagai salah satu rakan strategik untuk menjalankan program/aktiviti kutipan.
